IMPORTANT NOTICE

The **3rd Friday** (our usual gig night) in April is **Good Friday**,
Therefore the April Gig starring Lightning Jazz will be held the
following **Friday the 26th of April 20**

Our march gig featuring the Louisiana Shakers saw the usual reasonable turn out of patrons, I was hoping that after an absence of 18 years we may have attracted a few more.

Before we got started all present stood in silence for a minute to remember our dear Barbara and her cousin Jean. May they both Rest In Peace.

Although it was also a bit disappointing to see so many leaving (for a variety of reasons) before the end of the third set, I did receive many positive comments about the performance of the band and the brand of old New Orleans style jazz that has made this band so popular, not only on the local scene but Europe as well. I'm sure I can say that once again another night of good music and social atmosphere was had by all those that came along,

ed.

The Members Jackpot of \$30 was not claimed. (#213 Sandy Squire)
April draw will be \$60.

UNDER 25'S JAZZ WORKSHOP 16th March to 15th June 2019

Would you like to broaden your ability to improvise? Would you like to learn how to improvise on your instrument and create your own music? If you have answered "Yes" to these questions, you might like to consider learning jazz improvisation on a Saturday afternoon from 1 – 4pm at the Australian Jazz Museum, 15 Mountain Hwy, Wantirna 3152.

The cost of the Course is: \$60 for 12 weeks of tuition and Presentation Day 15th June, plus \$25 to join the Australian Jazz Museum which provides the member with a 12 month subscription to the AJazz magazine, access to the Museum (particularly beneficial to the student who might be studying graduate or postgraduate Australian jazz) and facilities to rehearse in outside of the Saturday rehearsals.

If you are interested in pursuing this experience, please contact: **Marina Pollard (9781 4972)** or mpollard@ajm.org.au (Convenor).

When my baby granddaughter LeeAnn came home from the hospital, the aunts, uncles and cousins were there to greet her. I showed her cousin Alex the baby and told him, "This is Grandma's girl." Alex replied, "You are not her grandma; she doesn't even know you."

My 3 year-old grandson, Sam, brought a coloring book to me and said, "can you read it to me " I proceeded to make up words to go with each page. When I finished "reading," Sam said, "I don't think I've heard that story before."

I'd never had surgery, and I was nervous. "This is a very simple, noninvasive procedure," the anesthesiologist reassured me. I felt better, until ... "Heck," he continued, "you have a better chance of dying from the anesthesia than the surgery itself."

An old guy walks into a bar and the bartender asks for ID. "You've got to be kidding," he said. "I'm almost 60 years old." The bartender apologized, but said he had to see the license. The guy showed his ID, then paid and told the bartender to keep the change. "The tip's for carding me," he said. The bartender put the change in the tip cup. "Thanks," he said. "Works every time."
